Committee Chooses Deer Park For University

Deer Park has been chosen by the western suburbs as the most suitable location for Victoria's third university.

Preferential voting on suggested sites showed the following results—

1. Deer Park (presented by Sunshine);
2. St. Albans (Keilor);
3. Explosives Reserve (Altona); and
4. Greenvale Sanitarium (Bulla).

Town Clerks and Shire Secretaries will now collate evidence on the case for the Sunshine site at Deer Park. Representatives of the western suburbs will present the evidence to the Third University Promotion Committee set up by the Government to enquire into suitable sites.

Evidence on the other three sites will also be presented in order of preference.

However, municipalities have still reserved the right to present their own cases or sites within their boundaries.

Of eight municipalities originally participating in this combined effort to have the university established on the western side of Melbourne only six—Footscray, Williamstown, Keilor, Bulla, Sunshine and Altona—were represented at this last meeting. Werribee has withdrawn and Melbourne's representative failed to attend.

The selected site is approximately 1000 acres of land on the west side of Station Road between Boundary Road and the Ballarat railway line. It is half a mile from the Western Highway, two miles from the Princes Highway, and six miles from the Calder Highway. It is approximately 11 miles from the city.

One hundred and thirteen acres of this land, nearest the railway line, is already used by the Melbourne University but is not being used at present.

On the eastern side of Station Road approximately 500 acres known as Mt. Derrimut leased by the University and is being used by the school of animal husbandry.

land at a reasonable price. Only two of the sites considered by the committee met one of the conditions previously mentioned by the Premier of Victoria, Mr. H. E. Bolte. He suggested the site should be State Crown land.

The Explosives site in Altona and Greenvale Sanitarium were the only suggested locations on State Crown land.

The St. Albans site is approximately 200 acres of Commonwealth owned land at the corner of Taylors Road and Sydenham Road, St. Albans. (Turn to Page 10 for local correspondents views on this decision.)

JOHNSTON-AARON WEDDING

Mr. and Mrs. Larry Johnston, who were married by candle light at their 6 p.m. wedding in St. Eanswythe's Church of England, Altona, on Saturday, June 13.

The bride, formerly Miss Heather Aaron, the younger daughter of Mr. and Mrs. Stan Aaron, of Cain Court, Altona, wore a full length white satin gown trimmed with white fur. The chapel train was also trimmed with fur and hand made rosebuds down the centre. Her waist length veil was held with a coronet and she carried a bouquet of white gardenias and hyacinths.

Full length gowns of gold Indian raw silk shot with blue were worn by bridesmaids Jackie Irwin and Joy Eaton. Their gloves, shoes and fascinators in their hair were royal blue. They each carried two orchids.

The groom, who is the elder son of Mr. and Mrs. M. Johnston, of McBain Street, Altona, had his younger brother, Danny, as best man and groomsman was Gordon

Cook.

The bride's mother chose to wear a smart teal blue suit and shoes with a turban hat and grey bag and gloves.

A brown suit, fur stole and apricot hat and accessories looked very chic on the groom's mother.

Among the 70 guests at the ceremony and the breakfast which followed in the Altona Youth Hall were the groom's aunt and uncle from Apollo Bay, the bride's sister with her husband and baby son from Sydney and the bride's grand parents from Pambula, New South Wales.

When the couple left to spend their honeymoon at Mt. Macedon the bride looked very attractive in her turquoise wool jersey suit with matching silk blouse, ocelot pill box hat, mushroom bag and shoes and dark brown gloves.

MOVE ON MORE PARKING FACILITIES FOR PIER STREET

Moves are being made by business people in Pier Street and nearby commercial zones for provision of off street car parking facilities.

Lack of parking facilities in and around Pier Street is only too obvious and traders are now aware of the growing tendency of shoppers to patronise shops where adequate parking space is readily available.

Even in the small car parks north of the railway line much space is taken up by all day parkers—workers who park their cars near the station and continue to their places of employment by train.

A petition to be presented to Altona Council is now circulating among owners and occupiers of properties within the Altona Commercial Zone.

It requests the council to acquire appropriate land and construct satisfactory facilities thereon for off street car parking purposes.

Also suggested is that a conference between the council and business people be arranged as soon as possible to determine the extent and location of the facilities and the method of financing the project.

Four years ago the Altona

Council suggested an amended town planning scheme which provided for all vacant land then in the vicinity of Pier Street being zoned to be used for off street car parking purposes only. So many objections to the plan were received that the zoning was not carried out and the scheme for the area reverted to the original plan. The acquisition of the land was to have been financed by a separate rate on commercial properties in the area. Most objected to this proposed 25 per cent. increase in their annual rates. In subsequent years the value of land to be acquired has no doubt risen as have costs involved in construction of parking facilities. It therefore seems evident that more than 25 per cent. of present rates will be needed to finance such a scheme.

W.F.L. to Consider More Competitions

At a recent meeting of the Werribee Football League proposals were put forward to increase the number of competitions within the League. The present Junior (Under 18) Competition was inaugurated in 1953 with four teams competing. Since then it has grown to its present 8 sides, but many footballers are now surplus.

With the districts covered by the League rapidly increasing in population it is considered that there are plenty of reasons to support the increase.

The proposals in general aimed at having an open age seconds competition which seems to have a lot in its favour and little against it. At present, particularly in Altona, the number of players unable to play local football is enormous. Each year players reach the age limit of the Junior Competition, but cannot be immediately accommodated in the senior side because of the youthfulness of most of its players. This situation is common in most teams and is certain to become acute in the near future.

Players, who suffer injuries in the seniors, who the coach would like to see fit before permitting him to play, are kept on the sidelines until an unimportant game arises or are played with the risk of further aggravation to their injury.

One disadvantage is the

usual "old man" of football, who, in areas where similar competitions are in existence, are too old to play in the first XVIII, but play just for the sake of playing in the second XVIII, thus keeping young blood on the outer.

On present indications it is obvious that an open age second XVIII is inevitable. Even if for the start only four teams are interested, it is a start and the idea would soon "snowball."

The junior competition, as it is at the moment, would be an ideal third XVIII, although an under 17 competition did receive some popularity. An under 17 team would allow those 18 year old and over a chance to prove themselves in open age football in the seconds. If they are ever going to make good footballers their ability should be there at 18 years of

age. Still, the under 18 competition is very popular at the moment and for the time being it may be wise to leave it as it is. The present rule of allowing lads to play on Saturday and Sunday could be used to more advantage by playing some of them in the seconds on Saturday and then allowing them to play again on Sunday.

The under 15's are popular to say the least, this season and pressure is being asserted to have these games put on an official basis. This could be done, but the problem of lack of officials would arise.

Werribee's admission to Association ranks should not prevent these events culminating as there will still be an abundance of youth left in that town to provide at least one team in each competition.

Our suggestions are that the senior competition be played on Saturdays with the seconds on alternate grounds and that the under 15's (if possible) play curtain raisers to the under 18's on Sunday.

WHAT DO YOU THINK?

EDITORIAL

STATE ELECTIONS

On Saturday citizens of Altona will be required to record their votes at the State Elections.

Electors will decide the candidate whom they wish to represent them during the next three years in the Electorate of Grant in the State Assembly. They will further elect for a period of six years a member for the Southern Province in the Legislative Council.

Altona has particular interests in these elections. For the Assembly seat of Grant the returning Labor member is Mr. G. R. Crick. Mr. Crick over a long period has identified himself with the needs of his electorate including Altona. He has a strong personal following. Many of those who vote against him regard him as a friend. For the Legislative Council Province Altona Shire President, Cr. G. den Dulk, is standing as a candidate. The Province covers a very large area around Melbourne. It has the dubious distinction of being the largest electorate in point of numbers in Australia.

Whatever our personal feelings to each of these gentlemen they will in most cases be subordinate to party considerations. This is desirable. For if we regard the duty of a citizen "to act in such a way as upon mature consideration you think it would be right for all citizens to so act" then an elector will then vote in favour of the party which he believes is best suited to be the Government.

The ideal of course is that each citizen should always vote as if the individual vote will be the deciding factor.

BOWLERS TO BOWL AT NIGHT

Electric lights for night bowls will be installed by the Altona Bowling Club in readiness for the coming season.

This decision was reached after much discussion by members at the annual meeting last Monday night.

Four pennant teams—two C Grade and two D Grade—will be entered in the RVBA competition. Any member intending to play pennant bowls is asked to register his name at the club before June 30.

Opening day of the 1964-65 season will be September 5.

Mr. Reg Watson is the new president of the club.

He succeeded Mr. George Russell, who has completed a very successful two year term—the maximum time allowed under the constitution for a president.

Senior vice president is now Mr. Jim Flynn, and Mr. Tom Burke is the other vice president.

The club's popular secretary, Mr. W. Monkhouse, was returned unopposed for his fifth year of office.

ALTONA WORKING MEN'S CLUB NEWS GOOD START TO £5000 APPEAL

With cash already received and many promises of £5 and £10 bond investments totalling £400 the club is confident of achieving its target of £5000 before the end of August.

£200 in £25 debentures has been taken out by four members and indications are that this could be doubled in the very near future. These members are sincerely thanked for their investments and the confidence shown in the future of the club.

Collectors and canvassers are now receiving promises ranging from £25 debentures to £5 bonds or £1 per week for 10 weeks. Fifteen members have promised to double their present weekly investment of 5/-.

This is the greatest financial effort since the foundation of the club and to be successful needs the support of all members.

ANNUAL SUBSCRIPTIONS

More than 100 members have already paid their annual 30/- subscription fee. It would considerably lessen the burden of routine administration work for the new management committee to be elected on July 24 if all subscriptions were paid by the end of July.

ALTONA NORTH MEETING

Members in the Altona North area should have received notices of the meeting arranged for Wednesday, July 1, at 12 Ararat Street.

ASSOCIATES STREET STALL

Although the weather was unfavourable a large number of residents are to be thanked for so generously supporting the stall which was extremely successful.

Net results will be announced at the July meeting of Associates.

Thanks of the club go to all the ladies who donated goods for the stall and to the active band of workers who, despite the cold weather, did an excellent job behind the tables selling the goods.

NEXT MONTHLY DANCE

To avoid disappointment get your tickets early for the dance in St. Mary's Hall on Saturday, July 11.

The committee sincerely thanks Mrs. Irene Shaw for her very effective and much admired decorating of the hall for the 'Beatles Dance' in June.

TABLE TENNIS

Last Thursday night saw the first defeat of the D2 team by the section leaders, James Seymour. Charlie McCallum played a captain's game in winning two of his singles and one doubles game with Bill Binding as partner. This defeat should spur the team on rather than discourage them.

The D3 Red team led by Trudy Reissman, won their first game against Williamstown High.

The D3 team, led by Bob Caines, had a good win over West Newport.

The C2 team, led by Tom Smith, were successful in their match against AGM.

Second round in the competition starts this week. A number of new members have indicated their interest in table tennis. They are invited to the weekly table tennis night run by the club on Monday nights in the Methodist Church Hall, Seves St., Altona.

YOGA

DEMONSTRATION

Keen interest was displayed by the 73 ladies and 19 male members who watched the performance of 10 basic exercises of yoga at a very popular demonstration arranged by the associates. In fact it was revealed a number of members are already active participants of yoga.

Perhaps it can be anticipated that before long there will be a flourishing yoga section of the club with a reasonable number of members—ladies and men—quite adept at the head stand.

ANNUAL GENERAL MEETING

The club annual meeting will be on Friday, July 24, in the Methodist Church Hall.

Associates will meet on the preceding Monday, July 20, in the Church of England Hall.

INDOOR BOWLS

Colds and flu hit the attendances last Thursday evening, only eight or nine players were on some of the mats, but club pennant was played just the same.

To get games under way earlier, bowlers are urged to be more prompt on Thursday nights—for some reason they are arriving later and later.

Some of the teams in the North West Pennant are doing very well with two teams having lost only one game each and one team losing two games.

Latest pennant scores are as follows—

AWMC No. 2 defeated Altona Bowling Club.

Ascot Vale defeated AWMC No. 4.

AWMC No. 6 defeated Altona Bowling Club.

AWMC No. 5 defeated the House of Happiness.

Altona Bowling Club defeated AWMC No. 2.

COST OF NEW POLICE STATION IS £30,774

Estimated cost of the new residential police station at Laverton is £30,744.

The station to be erected at the corner of Maher Road and Lohse Street will consist of a residence with sewerage, hot water service, slow combustion stove, double garage, etc., an office block and a cell block of two cells.

Tenders have already been invited and work should commence on the building early in the new financial year.

NEWPORT AND DISTRICT MOTOR CYCLE CLUB

The club meets this Thursday (June 25) at Loft Reserve, Maddox Road, West Newport, at 8 p.m. All interested are welcome.

There were no races last Sunday, except at Donvale, which was not a combined scramble. A few members took their bikes down to the Williamstown Racecourse to try them out and see how the track was.

The next big scramble is at Korweinguboorra in July, and we should have a few entries for this.

SPORTING BODIES MEETING

The Altona Sporting Bodies Building Fund Committee will be holding a meeting on Wednesday, July 1, at 8 p.m.

DROVE AGAINST TRAFFIC SIGNS

Werner Bernhardt, of Romawi Street, Altona, was fined £2 for driving against a "Do Not Enter" sign and £2 for turning against a "No Left Turn" sign, on May 17, 1964.

Constable I. Munro, of Newport, said Bernhardt turned off the Newport overpass into North Road then Hall Street, going against the signs.

Bernhardt told him he did not see the signs.

HAD NO HELMET OR LICENCE

Deiter Schwarz, of Stirling Avenue, Altona, was fined £4 for riding a motor cycle on The Esplanade, Altona, on January 12, 1964, without wearing a protective helmet and £4 for riding without being licensed.

Schwarz told First Constable G. Thornycroft he was just going for a ride.

Mr. E. J. Danaher, S.M., told Schwarz it was a very dangerous practice.

FREE CAKES AT POLLING BOOTH

For fresh cakes and scones next Saturday residents can buy them when they cast their vote at the polling booth in the Altona West Kindergarten in Somers Parade.

The kindergarten committee will be running a cake stall on election day.

Mothers are asked to leave cakes and scones at the stall on Saturday morning.

WEDDING ANNIVERSARY

Last Sunday Mr. and Mrs. Lawbridge, of Bladin Street, Laverton, celebrated their silver wedding anniversary. They were married 25 years ago in England.

CRAZY WHIST

The next crazy whist card evening at the Altona High School will be tomorrow night, Friday, June 26.

There will be the usual entrance prize, prizes for highest and lowest scores and at the conclusion of the games supper will be served.

21st BIRTHDAY

Friends and relatives gathered at the Life Savers Hall last Saturday night to celebrate the 21st birthday of Kenneth Smith, younger son of Mr. and Mrs. W. J. Smith, 139 Queen Street, Altona. Among the 80 guests were Ken's elder brother, Leslie and his wife, Joy, his sister Jeanette, Mr. Hank Kip and Miss Denise Green.

The evening was very ably emceed by a close friend of the family, Mr. Mick Johnson. Mr. J. Byrne proposed the toast to Kenneth and his mother presented him with a key. Ken replied and proposed a toast of thanks to his parents.

SCOUTS VISIT FOOTBALLERS

Twenty-five cubs and scouts from 3rd Altona Group were guests of the Footscray Football Club at their oval last Sunday morning.

The boys were met by committee men, Mr. Les Mills, and taken over the oval and club rooms. They watched the footballers training and one of the team played with them. The boys accompanied the players back to the club rooms to watch them being debriefed.

The footballers, including Ed Whitten, took an interest in the boys and showed them their jumpers and socks and willingly gave their autographs.

This first class morning for the boys was topped off with morning tea of lemonade, etc.

BOWLING CLUB ASSOCIATES

Indoor bowls winners this week were—
Wednesday Evening: J. Gynn, E. Davey and J. Deakin;
Thursday Afternoon: J. Guggler, D. Gadsden and E. Guggler;

Sunday Afternoon: J. Gynn, V. Sevier, W. Neal and Mitchell.
Ladies attending bowls on Thursday afternoon, July 2, are reminded to bring an iron or any other saleable item for the bazaar.

Get well wishes to Edna Gynn and Peg Cunningham, who took ill in Queensland and had to fly home. Husband Dan is returning by car. Birthday greetings to Myra Guggler and Queenie Cox.

VAN DER POEL-DREW WEDDING

A guipure lace jacket over her white satin full length gown and train was worn by Helen Drew when she married Pieter Van der Poel at St. Mary's Church, Altona, on June 13. Her veil was held by a pearl coronet and she carried a trailer of white carnations and lily of the valley.

Photo by Barry Sutton—65-6017.

The bride is the eldest daughter of Mr. and Mrs. A. T. Drew, of Queen Street, Altona.

Bridesmaid, Monica Drew, a sister of the bride, wore an aqua satin frock with matching fascinator in her hair and white accessories. Her flowers were a trailer of pink carnations and lily of the valley.

The groom who is the third son of Mr. and Mrs. W. Van der Poel, of Blyth Street, Altona, had his brother in law, Sergio Aquilante, as best man. The mother of the bride wore a fur cape over her brown frock, an attractive feature hat and brown accessories.

A blue suit, white hat and black accessories was the smart outfit worn by the groom's mother.

After the ceremony approximately 80 guests including the Shire President, Cr. G. den Dulk and his wife, Mr. and Mrs. L. C. Noordenne and the bride's grand parents, attended the reception in the Life Saver's Hall.

When the couple left to go on their honeymoon the bride looked very charming in her off white suit worn with black accessories.

DONATIONS TO 'WAIF' APPEAL

£25 has been donated by the Altona Shire Council to the appeal for the relief of Australian-Japanese waifs.

Before moving that the grant be made, Cr. W. G. Cresser said he still maintained the matter should be the responsibility of the Federal Government. Cr. Giffner agreed.

The A. J. Ferguson Appeal for £50,000 will be sent to the Australian Ambassador in Japan and will be administered by the Japanese Branch of International Social Service for the purpose of relief of Australian-Japanese waifs.

Werribee Shire Council will be forwarding a donation of £5 to the appeal.

YOUTH CLUB NEWS INTERMEDIATE GIRLS

Our instructors Fay, and the committee were a little disappointed with the attendance at the first two sessions for intermediate girls.

To encourage a greater attendance the age group for the session has been widened to allow girls from 10 to 15 to attend and the time for the session has been changed to 2 to 3.30 p.m. on Saturdays. Any eligible young folk interested are assured of an interesting and beneficial session.

GIRLS BASKETBALL

Training has reached a stage where practice games are the order of the day and our coach has his charges acquitting themselves well in their pre-season trials. If keenness is to win matches when the competition begins in August the Altona girls are assured of successes against rival competitors.

Even at this stage, potential players are invited to train with the club team.

However, as a good team can defeat a number of undisciplined stars, it is essential that any new, intending players present themselves at training as soon as possible to give the coach the opportunity of finding a niche for them in the finally moulded team.

ROYAL CHILDREN'S HOSPITAL APPEAL TO YOUNG CHILDREN

The Royal Children's Hospital urgently needs the help of young people in raising funds to meet the increasing costs of treatment and research.

Groups who already organise social functions are earnestly requested to consider forming "Younger Set" Auxiliaries; others may be interested in joining existing branches.

The hospital will give full information and support through the Auxiliary Organisation, Mrs. E. Fiddian, 34-0288.

CHURCH BOARD MEETING

Members of the Board of Management of the Altona Presbyterian Church are reminded that the Board will meet with Rev. G. Bucknall, Home Mission Director, on Wednesday, July 1, at the home of Mr. and Mrs. L. C. Noordenne, 67 Millers Road, Altona.

SUNDAY SCHOOL ANNIVERSARY

The third anniversary service of the Presbyterian Sunday School will be conducted next Sunday afternoon by Mr. J. W. Waters, Shire Secretary. Parents and friends are invited to join with the Sunday School staff and members at this third birthday Festival at the Church, in Civic Parade, Altona, commencing at 2.30 p.m.

In the morning there will be no Sunday School, but parents and children are asked to come to the Family Service at 9.30 a.m. when there will be a Church Parade of the 1st and 2nd Altona Brownie Packs, 1st Altona Guide Company and the Seaholme Girl Guides Company. People attending this service are requested to be seated by 9.25 a.m.

LADIES GUILD

St. Eanswythe's Ladies Guild will be holding their annual July meeting on Wednesday of next week, July 1.

Mrs. Lamb has invited the ladies to her new home at 12 Cain Court, and the meeting will begin there at 8 p.m.

GUEST PREACHER

Next Sunday morning (June 28) the Rev. Dr. Rechnitz will be speaking at the morning services at St. Eanswythe's Church of England.

Dr. Rechnitz is a priest in the Church of England, working in the Torres Strait Islands, where he has, among other things, done valuable work translating church services and parts of the Bible into some of the native languages spoken in the region.

ALTONA PRIMARY SCHOOL MOTHERS' CLUB

The next meeting of the Mother's Club will be held at the school on Wednesday, July 1, at 1 p.m.

Members are reminded to bring along a gift for the dolls stall at the forthcoming bazaar.

The bazaar will be held at the school commencing at 10 a.m. on Saturday, July 4.

YOUTH FELLOWSHIP

Once again members of St. Eanswythe's Fellowship have been invited to attend the dance at the Church of England Hall, Werribee, tomorrow night—Friday, June 26.

Intending dancers requiring transport are requested to be at the Church Hall in Queen Street by 8 p.m.

The next meeting of the group will be at 8 p.m. after evensong this Sunday night—June 28.

ELDERLY CITIZENS NEWS

The club feels mention should be made of the work of Mrs. D. Sturrock of Millers Road, Altona. Since its inception she has worked for the Elderly Citizens Club by running card evenings at her home each month. This we think is a notable act and our thanks go to her with gratitude.

Two bus loads of members spent a happy day at Monbulk last Monday. They toured the jam factory and were shown where the jam is made.

A surprise to all members was the hot luncheon enjoyed by members at the Nathalia Cafe at the expense of the club.

Despite the unpleasant weather it was pleasing to see the good attendance at the monthly dance last Saturday night.

BIRTHDAY PARTY

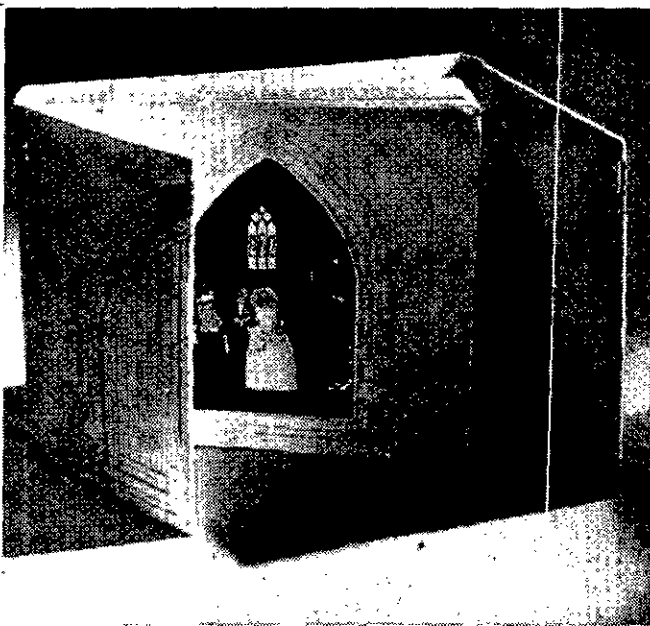

The monthly birthday party will be held this Saturday, June 27. All club members are welcome.

SPORTING PERSONALITIES PAST AND PRESENT

No. 41—JOHN BART-
LETT—Yachting.

John Bartlett at the helm of 'Athene', a winner of many events.

This is the time of the year when most yachtsmen turn their thoughts to plans for the coming sailing season.

But John Bartlett, who is one of Altona's leading yachtsmen, plays his part in keeping the local B Grade Hockey team near the top of the ladder.

Bartlett has been a member of the Altona Hockey Club for seven years, and in his first year, 1958, he went from being a C Grade player to selection in A Reserve. He was also named as the best first year player for the club.

When Altona won the B Grade Premiership in 1960, Bartlett was named as an emergency, but he managed to fill a gap in the latter stages of the game, and become a playing member of the pennant side. Last season, Bartlett played with the A Reserve team and this year he is playing right half for B Grade, a position he has filled on most occasions.

As a yachtsman, Bartlett has had a good share of success, both with the Altona Club and in open competition. Bartlett started his yachting with Altona in the 1956-57 season as forward hand on the Hornet Class Yacht Dorlen and he admits he spent more time in the water than out of it when he was learning to sail.

In the 1957-58 season, he sailed in the Merrilee with John Neale, and this combination went on to take first place in the Australian Hornet Class Championship held at Geelong that year. The event was decided on an Olympic points system over five races, with a discard of one.

Apart from winning the big event, Bartlett had a first in the Club Championship and the same result in the Handicap Section which was followed by another first for the most fastest times in club events.

With John Neale, acting as forward hand, Bartlett sailed the Merrilee to win the 1957-58 Novice Skipper's race. At the close of the 1958-59 season Bartlett figured in another treble success—the club championship, the handicap event and again the most fastest times section.

According to Bartlett, his tutor John Neale was first class and taught him plenty about yachting technique.

KOORINGAL GOLF ASSOCIATES

Bogey Competition and the Monthly Medal results from Koorringal Golf Club Associates are as follows—

A GRADE: Mr. F. Rodger (24), 5 down.

B GRADE: Mrs. W. Sandilands (28), and Mrs. P. Garde (35), tied 1 down and will play off for the medal.

Congratulations to Mrs. W. Sandilands, who broke her handicap.

There will be a golf clinic on Monday, June 29.

KOORINGAL GOLF

Saturday's Stableford results are as follows—

A GRADE: N. Grant (9), 36 points.

B GRADE: L. McGregor (14), 35 points.

C GRADE: A. Tierney (24), 33 points.

Sunday's Bogey competition resulted in a win for F. Heasley (18), 1 up, and F. Boden (18), square, from W. Philpott (12), 1 down and G. McDiven (7), 1 down.

Associates Stableford was won by Mrs. P. Garde (35), 40 points.

ALTONA LADIES HOCKEY CLUB

C GRADE.—Altona played CML at home and defeated them 6-5, even though the umpire make a mistake and paid at 5 all draw.

At the start Altona were slow, but after half time they played as a good team for the first time this season.

The game was a close one all the way, through both teams being evenly matched, but Altona forwards proved to be the strongest on the day. Good work girls, keep it up.

GOALS: P. Hayes 3, P. Montague 1 and G. Sutherland 1, J. Hayes.

BEST: R. Hayes and P. Montague.

D GRADE.—Altona played National Bank and defeated them 10-1.

From the start this game was never in doubt as NB only could field eight players. However, nothing could be taken from the Altona girls as they all played well. A few changes in the forward line made a big difference in this team. So let's hope they can do better in the future than they have been in the past.

GOALS: Helen Logan 4, Evelyn Curry 2, Judy Erickson 3, A. Scherman 1.

BEST: K. Smith, H. Logan and J. Erickson.

10-PIN BOWLING

Results of the Central Hotel Ladies 10-Pin Bowling League games played on Wednesday, June 17, are as follows—

CANNONBALLS 3, defeated PIXIES 0. High Game: H. Verity (C), 168; B. Morgan (P), 135. High Series: H. Verity 281; B. Morgan 264.

REBELS 3, d. BROWNIES 0. High Game: J. Thompson (R), 143; O. Williams (B), 138. High Series: J. Thompson 279; O. Williams 249.

HI-JAKS 2, d. SPINNERS 1. High Game: F. Prendergast (HJ), 148; M. Harris and A. Paterson (S), 121. High Series: F. Prendergast 274; M. Harris 236.

SEAGULLS 2, d. HI-FI's 1. High Game: E. Taylor (S), 127; J. Upsdell (HF), 132. High Series: E. Taylor 236; J. Upsdell 229.

ALTONA HOCKEY CLUB NEWS

A GRADE

A Grade 3, defeated G long 1 in a very rough clash.

At times Altona were pressed in defence to let out a very forceful Gee forward line. It is disappointing to see several of the team trying to umpire.

Next week at Essendon will be a real test for the undefeated Altona side.

GOALS: E. McCauley 2, D. Stevens 1.

BEST: D. Stevens and Bartlett.

B GRADE

B Grade 2, lost to Strathmore 3.

Playing the top team Strathmore, away, the were unlucky to lose the match.

With two regular players out they were unsettled didn't play properly.

If this team want to in the grand final they have to play more consistent hockey.

GOALS: J. Reilly 2.

BEST: I. Bartlett and Reilly.

C GRADE

C Grade 5, defeated Melbourne University 0.

C Grade with pro players in their play ran out winners, although the versatility side are second on premiership list.

The game was played good hockey should be played—very friendly atmosphere and with perfect umpiring from local umpire Alan Healy.

GOALS: J. Gardiner 2, Smith 1, R. Turner 1, S. Hyde 1.

BEST: M. Greenfield, J. Gardiner.

D GRADE

D Grade 3, defeated EGHSOB 0.

Altona played EGHSOB what can best be described as a cow paddock.

Showing more hockey ability and willingness to get ball before the opposition allowed Altona to run out comfortable winners.

GOALS: M. Hunter 1, Ranger 1 and S. Buchan 1.

BEST: S. Ashman, T. P. and S. Buchannan.

UNDER 16

Under 16 defeated Essendon 2-1 in a poor game at Altona.

The local boys had the of the play throughout game, but were clueless when they reached the circle.

Essendon are the set top team, so it is obvious with a little more stead earlier in the season Altona could have been well in fight for the four.

John den returned to his best on Saturday and should the opposition forwards king for goals in future games.

GOALS: David Spack 1 and Jeremy Hunter 1. BEST: John Golden, Ford, Harold Benedierks, David Spackman.

UNDER 12

Under 12 8, defeated Fairfield 0.

Altona had an easy win over Fairfield (2). The ward line playing some systematic hockey which the opposition defence and allowed Altona forward in to score at will.

GOALS: W. Duncan, Trickey 2, B. Smith 1, A. Challis 1.

BEST: A. Challis, T. and W. Duncan.

TOP FOUR TEAM

The top four teams are follows—Pixies, 29; Browns, 29; Hi-Jaks, 24; Cannon, 23.

MISS LAVERTON QUEST

The latest entrant in the Quest is 'Miss Ulm Street' (Miss Jeane Haig), a 16 year old student at Werribee High School. Her hobbies are swimming, tennis, dancing and horse riding.

'Miss Goble Street' (Miss Sylvene Devereaux) is leader of the Girls Friendly Society and not a member as quoted last week.

The result of a special effort conducted on behalf of 'Miss Woods Street' (Miss Mary Quinsey) was very successful, the winner being yellow 78, held by Corporal Apprentice Dennis, School of Radio, RAAF, Laverton.

The Quest Committee are very pleased with the amount of entrants and more are expected.

Remember girls, entry forms can be obtained from Mrs. P. Edwards (secretary), 4 Goble Street, until July 31, which is the closing date.

The latest entrants wish to thank local and other traders for their generous donations.

The next meeting will be on Thursday, July 2, at 8 Goble Street, at 8 p.m. sharp.

LAVERTON GIRL GUIDES

The Laverton Girl Guides Local Association, together with parents and friends, had a most enjoyable social evening last Wednesday. Mr. Luck showed us some very interesting films, after which he presented Mrs. Frearson with a perpetual calendar, which was embossed with the Guide Emblem, and a bouquet of flowers in appreciation of her work as District Commissioner.

GUIDE NEWS

Peta Green, Cheryl Sudler, Lorna and Marilyn Clarke were recently enrolled as Guides.

At a special ceremony on June 4 Lesley Moss 'flew up' to Guides.

Two other Brownies, Donna Fulter and Desley Asser, also came from Brownies to Guides that evening.

LAVERTON COUNCIL BREVITIES

Thirty pounds has been forwarded by the Laverton Recreation Reserves Committee to Werribee Shire Council. This is a contribution towards work on local reserves.

The tender submitted by T. & M. Powell for extensions to the Laverton Welfare Centre has been accepted by Werribee Council. Tendered price is £3467.

The contractor has succeeded in connecting up the main drain in Laverton, north of the highway. However, before finishing the contract he will wait for drier conditions.

Ten permits were issued during May for buildings to be erected in Laberton. Drug Houses of Australia will erect a light chemical plant for the manufacture of ether. A new office block will be built for Frozo Foods. Klari Meat Export Company requires a new cool room, and the other permits were for four houses and three garages.

NO EXTRA TRAIN

Too costly and not enough worthwhile traffic were the reasons given by the Railways Commissioners for not agreeing to an additional train on the Werribee line at approximately 7 p.m. each night.

Werribee Council had requested the running of another train from Melbourne to Werribee between the 6 and 9 p.m. trains for the convenience of people working overtime.

The Commissioners said there are not enough passengers travelling at this time of night to warrant an extra train and the 9 p.m. train would not be altered as it is designed for students returning home from night school.

BUILDING CONTRACTORS MAY BE FINED

Building contractors who persist in leaving timber near kerbs and footpaths will be prosecuted by Werribee Shire Council.

The attention of the Werribee Building Inspector has already been drawn to this dangerous practice said the Shire President (Cr. A. Davis) at the last meeting of council.

Laverton Progress had requested council's attention to this offence by building contractors.

Cr. Davis said Mr. Pilkington is taking action against offenders. On the suggestion of the Shire Engineer (Mr. McCormack), who said only by prosecuting offenders would contractors stop leaving the timber in dangerous places, council agreed to authorise Mr. Pilkington to instigate court proceedings as soon as an offence occurred.

NO AID FOR SURF LIFE SAVERS TOUR

No action has been taken by either Altona or Werribee Councils on a request for financial assistance to cover the expenses of a 10 man surf life saving team to visit the USA to demonstrate life saving methods.

The Surf Life Saving Association sought a £10 donation towards their goal of £5000. The team will be visiting California during July.

WERRIBEE STARTS LATER THAN USUAL

It was 11.55 a.m. before the meeting of Werribee Council could commence on June 11. Starting time for day meetings is 10.30 a.m.

It was 11.53 a.m. before a quorum of councillors was available for the meeting. This only after phone calls by the secretary soliciting the attendance of councillors.

When the meeting finished at 6 p.m. the Shire President (Cr. A. Davis) pointed out if started on time the business for the day would have concluded at 4.30 p.m. He then proceeded to "read the riot act"—he suggested it would be well worth the councillors time to read Section 188 of the Local Government Act. Briefly it states if a meeting lapses through lack of a quorum, it must be held within seven days of the original date and any councillor who does not attend is disqualified from holding office.

'Grime' Wave Around Laverton

Rubbish tipplers are still active in and around the eastern part of the Shire, reported Mr. R. K. Andrew, Health Inspector, to Werribee Council.

He stated the latest burst of activity which could well be described as a "grime wave" is causing concern and expense to the Shire in having to periodically clean up roads under its control.

In recent months three offenders have been apprehended and taken to court. Each one was fined £10/5/- and costs for depositing rubbish in unauthorised places.

Every effort will be made to continue to apprehend and prosecute offenders.

I.N.F. Defeated — Interest Increases

With I.N.F. suffering their first defeat for the season at the hands of Newport speculation regarding teams likely to make the final four increased sharply. Newport, had they lost to I.N.F., would have slipped two games behind the fourth placegetters, Metro. Farm, and no doubt the thought of this lifted their performance last week.

I.N.F., as a result of their defeat, are faced with the inglorious prospect of tumbling to third place should they be defeated this week by Altona. Not only this week's game is tough for them but they meet the form side of the moment, Werribee South, the following week.

Centrals kept their flame flickering by another good effort against Altona, whilst the Farm retained fourth place the easy way—with the bye.

This weeks game of the day is undoubtedly the Altona—INF clash. INF rarely show likeness for Altona's ground and after crashing heavily last week their confidence could be at a low ebb. Altona will probably have top place as a reward for victory and present indications seem to suggest they can.

★ ★ ★ ★
This weeks games on grounds of first named clubs (with likely winners in black capitals) are as follows—

WERRIBEE SOUTH v.

Central Altona.

ALTONA v. I.N.F.

NEWPORT v.

North Melb. Districts.

Williamstown Rovers v.

METRO. FARM.

Laverton have the bye.

Newport's great win

With the possibility of dropping to two games below fourth place staring them in the face, Newport turned in a do or die effort to give I.N.F. their first defeat for the season at Chirnside Park on Saturday.

Newport had a great deal of play in the first term, but the bustling tactics of INF defenders forced them in to slip-shod kicking for goal. INF in this term, however, were able to hold the lead by accurate shooting for goal even though they did not have a lot of the play. Full back Alan Harris was on top for Newport and he and his co-defenders limited INF's opportunities.

INF gained the lead again momentarily in the second term, but Newport were not to be outdone and quickly fought back. Only for Stan Sandford at centre half back, INF's position at the long interval would have been worse. Jack Evans coolly led his side and although not under notice continually his leadership was more than valuable. At half time Newport had led INF by two goals and had INF in a position that they had not experienced previously this season.

The third quarter was all Newport. They beat INF in the race for the ball, dominated the air and completely eclipsed INF's defence.

Barry Johnston was roving

delightfully and his co-operation with Jack Evans was damaging. INF made many positional changes in an effort to recover but Newport had them where they wanted them. Ron Carroll was another member of INF's defence who played well, but apart from he and Sandford the team just did not fire. At three quarter time the visitors held a six goal lead which appeared to be sufficient to defeat the top dogs.

INF tried hard to revive themselves in the last term, but Newport, although not scoring a lot, were holding them easily. Defenders Ken Withers, Geoff Mayne and Alan Harris were on top all day for Newport and were determined not to let the game slip away so late in the game. Their forwards, among them Robert Neill (at full forward), kicked four goals, and their rucks and rovers had not let their defence down as they went to a well deserved, yet surprising, five goal victory. Jack Evans capped his day off with five goals, again proving that his value to this side is unassessable.

SOUTH HAVE LITTLE TROUBLE WITH LAVERTON

Werribee South were untroubled to score an easy 59 point victory over Laverton in a wind-affected game at Laverton on Saturday.

South opened the game uninspiringly and failed to capitalise on the many opportunities they had of scoring.

Neville Bleakley in the ruck for Laverton and Ross Cheetham roving valiantly attempted to keep their side in the game, but South were superior in most positions on the field. South improved after half time and played all over Laverton to run to a very comfortable victory. Centreman Len Allison re-

turned to his best on Saturday and put South into attack repeatedly. Promising young rover Bill Edwards roved well and his co-operation with captain Andrew Gouloupoulos proved that these two are developing match winning team work between them. South's form could not be gauged from this game, but more should be known after their clash with Centrals on Saturday.

Werribee South have met Central Altona three times and have won all of them. South have the remarkable record of only losing eight out of their last 40 games.

Close win by Alt.

Altona won a hard fought game against Central Altona played at Grant Reserve on Saturday. The game, played under shocking conditions, did not enable either team to produce its best form.

Central Altona had first use of the breeze which slightly favoured the swamp end and did most of the attacking in a scramble first quarter. The Altona backmen, led by Ian Harris and Graeme Brennan, were battling tirelessly to hold the Central forwards, but the visitors finished the quarter with a 20 point to nil lead.

Altona attacked immediately in the second term and soon reduced the leeway.

Barry Hogan and Bill Wooding were playing brilliantly on the wings for Altona, while Dal Yorke and 'Megs' Harrington were having an even tussle with Centrals Gary Kennedy and Eddie Wallace.

The third quarter started in drizzling rain and iceberg conditions with Altona attacking strongly into the breeze. The first goal for the match at the Civic Parade end was scored by the ever reliable Bill Devereaux. This was immediately followed by a shot at the sticks by "Sticks" Stephenson, which fell short to be marked on the goal line by 'Megs' Harrington who made no mistake. Harrington in the back pocket was playing a tireless game for Centrals and repulsed many Altona attacks. This quarter was the best for attacking football with both teams striving for the initiative.

The last quarter was the back men's quarter as both teams forward moves were turned back time and time again by superlative defence play. The game at this stage had developed into a rough hard fought struggle with no quarter being given by either side. Derek York held the advantage in the ruck with captain Noel Rohleder picking up all that York gave him. Altona kept Centrals to a one point score for the quarter and earned themselves a hard won, but not decisive victory.

This game proved that Central Altona, last years underdog, are right with the top teams and must be regarded as a definite final four possibility.

NORTH IN NARROW WIN

On the windswept Newmarket ground last Saturday, North Melbourne Districts gradually wore down Williamstown Rovers in the last term to score by five points in a very poor game.

Rovers started brilliantly and with the strong wind in their favour soon went to a big lead. Ruckman Ron Dingey was dominating the knock outs and was marking brilliantly around the ground. An Altona cast off, 'Doc' Menzies, was starring at centre half back and showed that his form was good enough to gain a place in his old side's line up. However, Altona's loss is Rovers gain. At the end of the first term Rovers held a five goal lead, but had allowed North in for two valuable goals against the breeze.

North made use of the gale in the second quarter by keeping the ball in their attacking zone. However, they wasted many chances and inaccurate kicking prevented them from dashing to the lead. Rover Gordon O'Reilly and ruckman John Larter were giving plenty of drive and North appeared to be well on top. Centreman/captain Mick Smith was elusive and although he was not the most prolific kick getter afield he made full use of everyone he received. One of the highlights of this term was the delightful kicking out of Rovers full back Laurie Davies. North were one point down at half time.

The second half became a scrambling battle of defences with good passages of play harder to find than a needle in a haystack. North's defence battled hard to deter Rovers from scoring and succeeded in harassing them into hurried kicking, which only registered behinds.

At three quarter time Rovers held a 22 point lead and strove determinedly to repel North's attacks in the last term. Play was very congested and the game was developing into a general scramble.

North, through sheer persistence, managed to score four goals in the last quarter the last of which was scored with minutes to go. This gave North a narrow victory in a game that failed to enthrall many onlookers.

Teams last met on April 25 this year—

INF 11.10.76 defeated Altona 6.11.47.

Werribee South 10.8.68, defeated Centrals 5.5.35.

Metro. Farm 19.23.137, defeated Rovers 1.5.11.

Newport 12.15.87, defeated North 11.7.73.

ALTONA SENIORS

At long last some positive action is taking place with regard to the formation of an open age B Grade competition in the Werribee League. This step is a vital one, and the Werribee League and all teams playing in this competition are to be congratulated on preparations already afoot to ensure that this competition will function from season 1965. The Altona Club supports the four teams, a club idea which would mean seniors, open age B Grade, under 18's and under 15's. This setup greatly improves the facilities for many more boys and young men to take an active part in our national code.

The committee decided at a recent meeting to hold another social function in the same form as the recent dinner dance held at the Central Hotel. Watch this column for further details.

A good crowd attended the game against Central Altona last Saturday, despite very adverse weather conditions. This Saturday the committee is confident of a record attendance when we play INF at Grant Reserve.

Altona will be seeking revenge for their beating at Chirnside Park when the teams last met. Ergo it will be a game worth seeing.

BERNIE MARTIN AWARD

Voting for the match against Altona is as follows—3 VOTES to Henry Smith for a sterling performance in the back pocket for four quarters; 2 VOTES to Col Peatling for his skilful play on the back line; 1 VOTE to Ted Jepson, utility player for 100 minutes of battling football.

Progressive voting is as follows—

- 11 Henry Smith
- 9 Col Peatling
- 7 Gary Kennedy
- 5 Rex Cole
- 4 Wayne Kennedy

This match was marred by the inclement weather and Centrals impressed strongly in going down to last year's runners up by only 11 points. Central Altona's secretary, Mr. Len Marr, has resigned from the club to take up an executive position in Sydney. His going will be a great loss to the club and all players and committee members wish him every success in his new venture.

Players are reminded of the bottle drive on July 4 and 5.

The senior players have decided to pay their respects to Corrowa this year and will venture up that way at the end of September.

The juniors will be going to Yarrowonga.

LAVERTON

The competition for a pair of blankets which was drawn in the club rooms after the game last Saturday by Werribee South captain/coach Andrew Gouloupoulos was won by Mrs. R. Pateman, C/- the Cheetham Salt Works, Laverton.

CENTRALS SUFFER 2nd. DEFEAT

With greater pace and teamwork Werribee South ignored Centrals good record and went in earnestly to serve Centrals their second defeat of the season at Chirnside Park on Sunday last.

South went into attack almost immediately and goal, however, Centrals retaliated within minutes. South were getting more of the play, mainly because of the tremendous drive from captain Don Traianon in the centre, and his fear through tactics Traianon earned many kicks and his great pace enabled him to put his side into attack often. Mick Martin was striving hard whilst roving for his side, but the lot of them appeared very lethargic; something unusual for Centrals.

A winning attack kept Werribee South in the forefront and although they lost the lead during the second term their earnest desire to get the ball at all costs soon regained them the lead. Centrals played better in the second term but there was something missing from their usual style of play. They were repeatedly beaten for the ball and they constantly fumbled when playing the ball close to the ground. Robert McNaughton was defending dashing for South, whilst Centrals captain Wayne Kennedy was also playing well in Centrals defence.

The third quarter was all South. Bob Edwards was starring at full forward and one of his marks during this term earned the plaudits of all present. He received a ride high on an opponents shoulder and twisted slightly in mid air to take a very spectacular mark. His form was heartening for South as the

players upfield had the confidence to send the ball forward knowing someone was in attack to cap their efforts off. Traianon was still dominating the centre and Centrals had slipped way behind in this term.

The final term saw a different Centrals. They adopted their usual game and at one stage appeared as if they would take the points. But South rallied and players who had previously been in the back ground came good. John Tyquin, around the ground, lifted his game whilst clever Bert Allison scouted dangerously around the goal zone. South battled hard in this term and thoroughly deserved their win.

TRIBUNAL OUTS TWO PLAYERS LAST FRIDAY NIGHT

At the Werribee League Tribunal last Friday night BRIAN TREVEAN of Central Altona and BARRY MUSCHALLI of Newport were found guilty of striking each other and were each suspended for three playing games of their respective clubs.

Altona junior GRAEME CUMMIN was found guilty of striking Werribee South captain Don Traianon and was given a two weeks suspended sentence.

The result of the Tribunal held last night to discuss the reporting of INF's 'SCOTTY' PARKER for striking Ron Kite of Newport, appears in other columns of this edition.

ALTONA AND INF SHARE RECORD

With high scores prevalent in the senior competition over the past few years, people have been asking who holds the record for the highest score in the competition.

Records of results of games only date back to season 1952 but since that year Altona and INF (who meet on Saturday) share the record.

On April 30, 1955, Altona scored 36.21.237 defeated the now disbanded team, Services, who scored 4.4.28.

Rovers also scored 4.4.28 when INF (kicked 37.15.237 against them on August 6, 1950. How's that for co-incidence?

Altona Should Remain Junior Leaders

Altona, now one game clear as junior leaders, should retain their position by defeating third team, Werribee, at Grant Reserve on Sunday.

The home side has defeated Werribee three times in the last two seasons only narrowly, but, unless Werribee show improved form, Altona, the way they are playing, could have an easy victory. Their performances against both strong and weak teams of late has been tip-top and Werribee cannot boast of performing nearly as well. They were defeated by bottom team, Williamstown

CYMS and then scrambled in against INF.

Sundays games on grounds of first named clubs (with likely winners in black capitals) are as follows—

WERRIBEE SOUTH. Williamstown C.Y.M.S. v. LAVERTON. CENTRAL ALTONA v. Newport. ALTONA v. Werribee.

WERRIBEE SCORE WELL AGAINST LAVERTON

Werribee, with many star players missing, scored a resounding victory over a determined group of Laverton boys at Laverton on Sunday.

Werribee gained the lead almost immediately and were never headed. Although their line up was somewhat different from previous games, they played systematic football and showed that if they had the desire they could produce this brand of game more often. Don Smith was again in fine form. His work at times, goes unnoticed, but he is always in their battling.

Laverton did not expect to be beaten by such a margin, but the form shown by Wer-

ribee was the superior on the day. Laverton have a reasonable defence and will make their presence felt in the competition. They have no worries at full back as Jeff Cameron is filling that position capably and is receiving good support from Terry Batty in the back pocket and Ted Rowe in the centre.

Werribee have the tough game this week and although they usually rise to the occasion their present form is not indicative of past teams.

ACCURACY GIVES I.N.F. 13 POINT VICTORY OVER NEWPORT

Accurate kicking for goal gave I.N.F. a well-deserved 13 point victory over an enthusiastic Newport at the Newport Football Ground on Sunday.

INF, after their disappointing close decision against Werribee, were determined to make amends and never let Newport gain control of the game at any stage. Newport, although, were not to be outdone and stuck with their better performed opponents for most of the game.

Lindsay O'Toole again showed the value of big men in a junior side by doing all the bullocking work around the ground. 'Scotty' Parker was again in good form and gave his side extra bite around the forward line. His three goals were valuable and his steadiness when under pressure helped his teammates. In an incident in the

last term Parker was reported for striking Newport star Ron Kite.

Kite and centre half back John McLeod were battling tirelessly for Newport for 100 minutes and their general play eased some of the load off the shoulders of ruckman Kevin Lynch who was able to again give his side another good game. Supporters at this game drifted among the players as they were leaving the field and could have caused a nasty incident. It is hoped that those at fault in this case should realise that they could, not only get themselves into trouble, but could also place the blame on the club they follow.

ALTONA LETHARGIC IN EASY WIN

Although winning by the big margin of 109 points, Altona did not display the team spirit it has shown in recent weeks. The reason for this may have been that they were not playing a very strong side.

The game was marred by a poor exhibition by the umpire in which he erred by many ball ups. This showed a lack of confidence in his ability to pick free kicks.

In the first quarter the high marking defence of David Hynes and Bill Dooley of CYMS restricted Altona's opportunities and allowed them to kick only three goals for the term while their side added two.

Altona lifted their play after this quarter and gained the ascendancy and went on to win quite comfortably despite CYMS's never give in attitude.

The main highlights in a game in which there were few were Andrew Camilleri's beautiful 60 yard goal after a centre knock out, his excellent display of football ability on the wing, the passes of Alan Bartolo to the forward line, the apparent ease with which Andrew Skelley took one of these passes one handed, and the 100 minute performance of Peter Abberton.

CYMS have proved by this game that with experience they will develop into quite a good combination and will trouble a lot of sides.

SOUTH CAPTAIN INCREASES LEAD IN £50 AWARD

Werribee South captain-centreman Don Traianon increased his lead to two votes when he received another three votes against Central Altona last Sunday.

Werribee ruckman Don Smith has joined Altona centreman Alan Bartolo in second place whilst Laverton's full back Jeff Cameron and Town centre half back Bill Dooley are a further two votes back.

LEADERS PRESSED IN "STAR" GOAL-KICKING AWARD

On Saturday Ken Munyard "bagged" four goals at Laverton for the third time this season. Munyard, however, is seven behind leader Brendan Smith, who retained his lead although he only managed to score two of North's 10 goals. Eight players are within six goals of Smith so the competition is keenly contested for this award.

South's spearhead to score well on Sunday was Bob Edwards, who kicked five goals against Central Altona. Edwards has now jumped to within five goals of Altona forward Andrew Skelley, who only got one of his sides 18 goals last week. These two look as if they have this battle on their own.

Details are as follows—

RESIGNATION OF SECRETARY
Bob Rose, who has been the secretary of the League since its inception, will be tendering his resignation at the next delegates meeting, owing to ill health.
INTER-LEAGUE MATCH
Altona proved too strong for the Mountain League, when they met on Thursday, June 11, to decide who would retain the Challenge Cup. With one win each, both Leagues were determined to win the final game. However, Altona held off Mountain League to win the cup by the odd game.
However, Mountain League did not go home empty handed, a second Challenge Cup was competed for by a second team from each of the Leagues. This was won by Mountain League.

LEAGUE SINGLES CHAMPIONSHIPS
Last Thursday night the League conducted the 1964 singles championships.
In the first round there were 12 byes; other results were as follows—

FINAL—W. Ellis defeated T. Atkins 3-1.

DELEGATES MEETING
Club delegates are reminded that the next meeting will be held on Tuesday, July 7 at the Homestead.

VICTORIAN TITLES
During the Queens Birthday weekend the 1964 Singles and Doubles Championships were conducted, with Altona League figuring prominently.
Alan Easdon (Albright & Wilson) won the singles title, highest game shot and most 10's and over trophies.
Roy Warren (Laverton Progress) and Wally Ellis (Seaholme) reached the quarter finals before being eliminated.

Mick Ellis, Wally Ellis (Seaholme), and T. Atkins each won a trophy for the highest score.
In the doubles championships Wally Ellis and Terry Rogers (Altona Darts) were defeated in the final.
Wally Ellis, Mick Ellis, Roy Warren and Wally Patchett (Laverton Marching Girls) all qualified for the highest score trophy.

ALTONA GUIDES AND BROWNIES
1st ALTONA PACK had an outing to Rae Hartley's bazaar before the pack meeting last Saturday and enjoyed the walk.
2nd ALTONA PACK. Allison Armstrong has passed her Golden Hand.
1st ALTONA COMPANY.—Glenda and Gail Bryant, Beverly Walker, were enrolled by Commissioner Brooks at their last meeting. Hilja Toom received her 2nd Class Badge. Gwyneth Pryce has passed her home maker badge and Brenda Kaye passed her expedition for the 1st Class test.

1st SEAHOLME COMPANY had an outing last Monday to the Zoo, with "Gaddang" and "Medika." All had a wonderful time and no one was left behind.
There will be a Church Parade at the Presbyterian Church on Sunday, June 28, at 9.30 a.m. Brownies, Guides and Guiders are to assemble outside the Church in Civic Parade at 9.15 a.m. sharp. It would be pleasing to see all Brownies, Guides and Guiders attend. Parents may come along also.

ALTONA NORTH HIGH SCHOOL NEWS
The members of the Altona North High School Parents and Citizens' Association have worked very hard improving the grounds around the school and recently purchased £450 worth of seating; also with the support of teachers had concrete cricket pitches constructed and are now working at long jump and high jump pits.
As soon as the school extensions are completed lawn seed will be sown in the area already filled in—these extensions include a gymnasium and shower block combined—this school being the first in the district to obtain these.

The recent bottle drive was very successful and realised an amount of £120. Plans have been forwarded to the Public Works Department for bicycle shelters and it shouldn't be long before these are erected. Various working bees at the school have cleared the grounds of box thorns and thistles and the car parking area and driveway have been laid with metal. The school canteen, which was partly built by voluntary labour, is run by a willing group of ladies and is fully equipped—pie heaters, etc., having been purchased. More mothers would be very welcome to help in this capacity. A duplicating machine and microscopes have been purchased for use in the school. The P. & C. Association meets every second Tuesday evening of the month.

The Ladies Auxiliary, consisting of an energetic group of women, is working very hard making items towards the school fete to be held on the evening of October 30, 1964. The Auxiliary recently purchased a TV set for the teaching of mathematics to first year pupils and hopes to purchase a set of Greggs typewriting records and recorder for the commercial classes. The ladies auxiliary meets at the high school the first Monday evening of each month and new members would be very welcome. Forthcoming events which have been arranged are as follows—

JUNE 29: Patons & Baldwins demonstration to be held at the high school, commencing at 8 p.m.

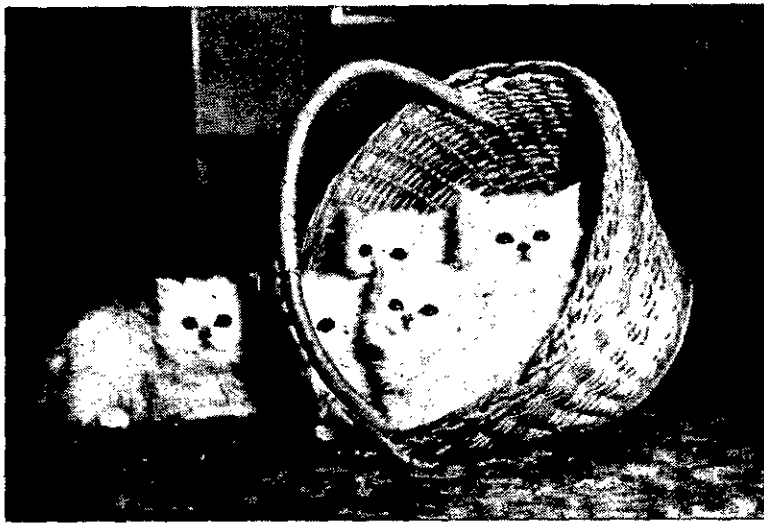

JULY 3: Annual school ball—pupils only.

JULY 10: Card evening at the home of Mrs. Hammer, 6 Estelle Court, Altona North.

JULY 24: Mannequin parade at Library Hall, Newport, commencing at 8 p.m. Edmunds jewellery and Adelyn frocks. Admission 3/- including supper (tickets can be purchased from Mrs. Hammer).

AUGUST 5: Demonstration on various subjects by 'Women's World' to be held at the high school, commencing at 8 p.m.

SCOUTS TO HOLD CAT SHOW

A cat show will be held in the Scout Hall, Civic Parade, by the 1st Altona Scout Group Committee on Saturday, July 18.

Entry fee for children's pets or any household cat is 3/-.

Entrance date closes on July 8.

Entry forms are available from Mrs. Deegan, 6 Webb Street, or Mrs. K. Bradshaw, 63 Millers Road. Afternoon tea will be available and first aid is free.

AUTHORISED by J. J. DOUGHERTY, 4 Omega Street, SUNSHINE.

THIRD VICTORIAN UNIVERSITY

Sir,

I am most disappointed that Sunshine has been chosen by the Western Suburbs Committee as their site for the third university.

One wonders what case was presented for Altona, especially when one considers the facts.

The land is not Crown land as stipulated by Mr. Bolte. The rail link is not part of the suburban electrified system. I think the committee has erred in pre-judging the issue and it should have presented a case for each of the sites in the area.

What now is our position? Has our council given notice that it intends to "go it alone" as did others to the committee? or does it intend to stand meekly by and wave a banner for Sunshine? It should at least indicate in what way our case failed.

One cannot but think that it must have been poorly presented. As citizens we have made the mistake of leaving such an important matter to our council. Some other bodies with the interests of Altona at heart should have actively presented this matter and indeed it may not be too late for them to do so.

It would now need to be

some organisation such as Apex, Rotary or the Chamber of Commerce which is already established and can move quickly on the matter and see that a strong case is presented for Altona. Apex has already taken the initiative and moved against the establishment of a reform school in the district and it may like to take the positive action of working for a desirable institution. If Werribee is prepared to spend £300 on preparing a case surely Altona can do something, not that I consider such expenditure is required or warranted.

I am sure that we have the talent in the district to prepare and present a first class case if it is properly organised. I have written to the Premier's Department giving the reasons why I think the university should be on the former Explosives Reserve, but a more concerted effort is required if success is to be achieved. What about it Altona organisations, what can we do?

A. S. WRIGHT.

LETTER TO THE EDITOR

The statement in the "Age" of June 23, 1964, that Sunshine has been chosen by the western suburbs municipalities as the most suitable site for Victoria's third university will no doubt disappoint the people of Altona.

Cr. A. W. Bond has in the past been fond of referring to the Altona Council as "the fighting Council." The meek handing over to Sunshine of the big chance to make Altona the "university city" of the western suburbs did not show much appearance of a fight.

Would it be that the reason for the choice of Sunshine has any connection with Sunshine being the home town and stronghold of the sitting ALP member for Grant, Mr. G. R. Crick?

I would suggest that the electors of Altona have a golden opportunity on Saturday, June 27, to register their disapproval at the polling booth of the choice of Sunshine as the western suburbs selection for the third university.

J. BACON,
50A, Rose Street, Altona.

LETTER TO THE EDITOR

It seems that the Altona Council cannot take a trick. Having gone to the trouble of organising the western suburbs into a committee to agitate for a university site they are now left out of it.

Why was it necessary for the western suburbs to decide on A site? Surely all the sites available could be submitted to the University Selection Committee and this would keep all the suburbs interested and eager to win a site.

Werribee must be pleased it withdrew so it can now present its own sites.

Perhaps a few keen local citizens will keep our site, the Altona Explosives Reserve, in the limelight in case the Sunshine site is rejected by the university committee.

RATEPAYER,
Altona.

'THE HOMESTEAD'

Now, officially, the Homestead is to retain its old name.

The building and its name—The Homestead—which are held in deep affection by residents of many years is a permanent link with the original pioneers of the district. This is the building around which Altona grew.

The Altona Council has announced their intention is to erect a plaque outside the building at 128 Queen Street showing the name and history of the old home.

It may be some time before the plaque can be erected as the Altona Historical Society is experiencing difficulty in finding out exactly when and by whom the Homestead was erected. The name "Lempriere" appears in many early accounts of the Homestead, but no official record of a "Lempriere in the Altona district" can be found. Members of the Society are continuing their patient search for the right answers.

As part of their architectural course two university students are studying the building. They have identified some of the bricks used in its construction. These bricks, branded with the name "Sharp," were manufactured in Scotland.

WERRIBEE GOLF

Saturday was President's Day and 60 took part in a Canadian Foursomes played in gale force winds and some cold showers.

President Mr. George Tinkler welcomed the presidents from Sunshine and Koorringal Clubs, as well as members and associates. He thanked associates for cleaning the club house and providing the afternoon tea. A special thanks to his wife, Agnes, for her help in the lovely floral arrangements.

Winners were as follows—
BEST GROSS: P. Wakefield and Mrs. Daniels.

BEST NET: J. Hosking and Mrs. Shanahan.

MEMBERS TROPHY: A. Blackshell.

The competition for the dressed rooster (donated by Mrs. Robinson) was won by Mrs. Sinclair.

The president of the associates, Mrs. Pat Shanahan, thanked the president and his wife for the lovely trophies and a good day, despite the weather.

Leading cards were as follows—

J. Hosking and Mrs. Shanahan 56, P. Wakefield and Mrs. Daniels 57, B. Goates and Mrs. Goates 1, M. McCallam and Miss Morris 61, K. Lawrence and Mrs. Sinclair 62, R. Bray and Mrs. Bray 62, F. Robinson and Mrs. Robinson 63, L. Grant and Mrs. Grant 64, M. Archdall and Mrs. Archdall 65, J. Andrews and Mrs. Andrews 65, A. Lang and Mrs. Miller 65, E. Gillett and Mrs. Sewell 65, P. Collier and Mrs. Cropley 66, R. Hodge and Mrs. Hodge 66, J. Freajan and Mrs. Freajan 66, L. Brighthope and Mrs. Brighthope 67, A. Wall and Mrs. Wall 68, J. Frost and Miss Windsor 68, L. Danaher and Mrs. Danaher 69, A. Thompson and Mrs. King 69, J. Banfield and Mrs. Banfield 69, V. Heward and Mrs. Foder 69, A. Griffin and Mrs. Gillett 70, R. Cole and Mrs. Cole 72, M. Angwin and Miss J. McNaughton 73, G. Cole and Mrs. Malin.

The rest didn't put their cards in. The day was brought to a close with a social evening in the club house. Despite the cold and wet night a nice crowd came along and enjoyed a good night, especially the 'Alberts.'

We are pleased to acknowledge a trophy donated by Mr. Reynolds, president of Sunshine, to be played for at a later date.

IN QUEST FOR PROFIT, OWNERS LEAVE NO STONE UNTURNED

Some years ago in an attempt to alleviate flooding in Altona a channel was opened up between Cherry Swamp and Kororoit Creek.

Land in this area is very rocky and many large stones had to be moved.

A resident conceived an idea for improving his property with a few of the rocks. Being an honest man and thinking he would be doing the land owners a service by removing some of these surplus stones he asked their permission to take some.

The owners were only too willing to oblige and said "yes"—but, being estate agents, they added a proviso—if you buy some of the land under the stones.

TOWN AND COUNTRY PLANNING ACT 1961

Revocation in Part of The Shire of Altona Planning Scheme 1958.—Revocation No. 19.

WHEREAS it is provided under the Town and Country Planning Act 1961 that the Governor in Council, upon application of the Town and Country Planning Board or the responsible authority or of any other planning or body of persons appearing to him to be interested, may revoke the whole or any part of any planning scheme if he thinks that, under the special circumstances of the case it should be so revoked;

Now therefore, His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof, and on the recommendation of the Town and Country Planning Board, doth hereby revoke the Shire of Altona Planning Scheme 1958 insofar as it applies to all that land being Crown allotment 6 of section 20, Parish of Truganina, County of Bourke, the boundaries of which are as follows:— Commencing at a point on the western alignment of the Grieve Highway distant 3005.6 links south of the intersection of the said western alignment with the southern alignment of Doherty's Road; thence southerly for a distance of 3005.4 links; westerly for a distance of 4997.4 links; northerly for a distance of 3008.6 links and easterly for a distance of 5000 links to the point of commencement. And the Honorable Murray Victor Porter, Her Majesty's Minister for Local Government for the State of Victoria, shall give the necessary directions herein accordingly.

J. COLQUHOUN,
Chief of the Executive Council.

WINTER FUEL FOR PENSIONERS

Pensioners who have not
registered at the Altona Shire
Offices for the free supply of
winter fuel are requested to
do so without delay.

Each pensioner is entitled
to apply for one ton of fire-
wood or its equivalent value
in briquettes or kerosene.

RANGER ACTIVE

The dog ranger has been
kept busy in Altona during
the past two months. In April
he seized 43 dogs, including
five alsatians and took them
to the Lost Dogs Home. Dur-
ing May 31 dogs, including
three alsatians, were seized.
Also in this period eight head
of cattle were impounded in
the detention yards.

HEPATITIS REPORT

Thirty-two cases of hepa-
titis were reported in the
Shire of Altona during 1963.

All cases occurred in un-
sewered areas. One case only
was reported from an ad-
dress where septic sewerage
was available.

School children accounted
for the largest number of
cases, the remainder being
young adults. This age in-
cidence relationship appears to
be common throughout the
State.

The Medical Officer of
Health, Dr. J. Leyden, em-
phasises the importance of
early notification of new
cases which allows prompt
treatment of contacts to pre-
vent spread of the infection.
He strongly stresses the
importance of personal hygi-
ene and clean food handling.
